Welcome Two New Officers

The Town of Cedaredge Police Department has hired two new officers. Join us in welcoming Officer Keydon Long (left) and Officer Mike O'Reilly (right). Our Police Department is now fully staffed after quite a few months of being short at least one officer. If you see Officer Long or Officer O'Reilly in Town be sure to take a moment and say hello!

From the Mayor

We live here because we love Cedaredge! I'm always encouraged to see another residence or business show incredible pride in their home or business. A big thank you to everyone who has taken the time and resources to invest in Cedaredge! Most recently Impact Communities updated their building inside and out. Looks great!
- Mayor Gene Welch

Cedaredge Golf Club

The Cedaredge Golf Club is recovering well after the devastating drought of 2018. Golf Course staff implemented an aggressive seeding and fertilizing program to encourage rapid growth. We are excited to welcome you to the course! Never played golf before? No problem! Take advantage of our weekly, men's, women's, and junior classes! Rental clubs available. 856.7781. Don't forget to plan around a meal at Creekside Italian Cuisine and Wine Bar at the Clubhouse!

Mosquito Fogging

Roadside mosquito fogging is part of the Town of Cedaredge's management of mosquitos that spread the West Nile Virus. The Town is outside of the mosquito control district so any mosquito management is the Town's responsibility. The next fogging is scheduled for August 6th at dusk (8:30/9p).

Surface Creek Trail

Major trail maintenance for the length of Surface Creek Trail is scheduled for August. For the safety of walkers and workers, the trail will be closed starting Monday, August 5th and will remain closed for at least a week to clear underbrush and an additional 2-3 weeks for tree maintenance.
