

Writing On the Edge

Town of Cedaredge | August 2019

Love Cedaredge

We choose to live, work and volunteer in this community because we LOVE CEDAREDDGE! In a world where it is easier to sit back, complain, and be negative, we are asking our community to reflect and share your story about why you love Cedaredge. Send us a photo, letter, funny story, or whatever else and tell us why you love where you live! We will compile parts of your stories to remind the community why we all LOVE CEDAREDDGE! Be sure to check out the Town's Facebook page throughout September as we will highlight your love for Cedaredge. Email KCollins@cedaredgecolorado.com

Community Clean-Up Week Sept 23-28

Have you been putting off a home or business project all summer (or longer)?! Now is the time to put it on the schedule! The Town of Cedaredge annually provides three weekends where dumpsters are available at our public works facility (160 SE High County Ave). This month, we will provide dumpsters the whole week of September 23-28. Don't have a home or business project to accomplish? Show your love for Cedaredge by working with your church, civic group, or other non-profit to help someone in the community who may not have the means or ability to clean up their property, or just help out a neighbor with their project! Join the Town and your fellow citizens in displaying our love for Cedaredge through community service and community pride! The dumpsters will accept yard and household garbage. Refrigerators, electronics, wet paint, tires, concrete, rocks, dirt, hazardous material, or motor oil.

Party in the Park Sept 28

After a solid community clean up week, let's come together and celebrate our love for Cedaredge as a community at Party in the Park! The Board of Trustees will serve up burgers and provide drinks—we

ask everyone coming to bring a side dish or a dessert to share! Music will be provided by the Solar Brothers and a bump-n-jump will be available for the kids.
