

Writing On the Edge

Town of Cedaredge | November 2019

Shop Small

Shopping locally keeps your friends and neighbors in business and employed. Your Town is funded by your sales tax and property tax dollars. By shopping locally, you are not only supporting your friends and neighbors, you're also helping provide police officers, streets and parks maintenance, and other services that you enjoy every day. As we come up on the holiday season, we challenge you to try and purchase as many of your holiday gifts as you can locally! What Cedaredge lacks in quantity of shopping destinations we more than make up for in the quality of goods and services provided by our business community. We have a plethora of wonderful, unique gift items available from our retail stores and art galleries. Or, give the gift of experiences instead of stuff with gift certificates for meals, plays, concerts, massages, salon services or auto care. Lastly, think outside the box for your holiday gift giving! Can you open a youth savings account at one of our banks for the kids on your list, and encourage life-long saving habits now? What about the gift of a membership or charitable donation to one of our fantastic non-profit organizations to honor the gift recipient? A GREAT day to really focus on shopping locally is Small Business Saturday on Nov. 30. Several local businesses will offer sales, specials, discounts or open houses to celebrate Small Business Saturday. If you have a local business and want to be a part of the initiative, contact the Cedaredge Area Chamber of Commerce at 856-6961 or email them at cedaredgeareachamber@gmail.com to see how to get involved. We're curious – are you up for the challenge? How many of your holiday gifts will you get locally this year? What's the most surprising or unique thing you've purchased locally this year? Drop us a line and let us know! cedaredgemayor@gmail.com or kcollins@cedaredgecolorado.com. Happy shopping, and Happy Holidays! #loveCedaredge #shopsmall #shoplocal

Re-Igniting Patriotism!

At the Oct. 17 Board of Trustees meeting, Lee White (right), the Department Junior Vice Commander for the Colorado American Legion, presented Mayor Gene Welch and the Board of Trustees a certificate for Re-Igniting Patriotism, for the Town's ongoing efforts to display the American flag and for exemplary patriotism. We are honored to receive the award, and we thank both the American Legion and our local VFW Post #9221, which hangs and maintains the American flags along Main Street!

Community Clean Up Recap

Thank you to everyone who took advantage of the weeklong community clean up in September! You all cleaned up over 22.5 tons of yard and household waste! Impressive! And our community looks great! We will do another clean up weekend in the spring, and then next fall will plan again for a weeklong event. We appreciate your efforts to show you #loveCedaredge by keeping our community clean and free of junk and weeds!
