- B. Local regulations concerning medical marijuana stores may be more restrictive than those in Article 10 of the Colorado Revised Statutes, while regulations concerning retail marijuana stores may be no less restrictive.

- C. The Local Licensing Authority has final review and approval of all licenses for marijuana stores or marijuana delivery permits, and any decision to grant or deny, to revoke or suspend or to renew or not renew a license or permit shall be a final decision and may be appealed to the district court pursuant to Rule 106(a)(4) of the Colorado Rules of Civil Procedure.
- D. In the case of applications resubmitted to the Town directly pursuant to Section 16(5)(h) of Article XVIII of the Colorado Constitution, due to failure of the state licensing authority to act upon an application within ninety (90) days, the Local Licensing Authority will act and approve or deny the same within ninety (90) days after receipt of the resubmitted application so long as demonstrated compliance with all applicable Town regulations is had, and the full application fee is paid to the Town, if not forwarded by the State.

This location criteria applies to all proposed changes in the location of an existing license.
- E. Co-location. - C. The inclusion of preliminary plans does not render the application incomplete, so long as the application includes documentation that an appropriate professional has been retained and a deadline has been established for submission of final plans.
- D. An issued license does not eliminate the need for the licensee to obtain other required licenses and permits related to the operation of the marijuana stores, including, without

- E. An application shall include the following information and any additional information required by the Town Clerk.
1. Applicant's name, address, telephone number, social security number and date of birth, and the name(s), address(es), date of birth, and social security numbers for all Controlling Owners with more than twenty-five percent ownership interest in the domestic entity or any sub entities.

 3. The street address of the proposed marijuana store.
 4. Proof of ownership, or if the applicant is not the owner of the proposed location of the retail marijuana store, satisfactory proof that the applicant is or will be entitled to possession of the premises under a lease, rental agreement, or other written agreement, including authorization to use the premises for a marijuana store for a minimum of one year for which the application is made.

 8. A business plan.
 9. A floor plan of the proposed store.
 10. A signage plan.

11. All marijuana stores shall be equipped with proper ventilation system that filters out the odor of marijuana so that the odor is not capable of being detected by a person with a normal sense of smell at the exterior of the retail marijuana store or any adjoining business, parcel, or tract of real property. All applicants for a new retail marijuana store license shall submit a ventilation and odor mitigation plan with their application, which shall be subject to review and approval by the Local Licensing Authority prior to issuance of a new license.
12. Certification that Applicant and all individual Controlling Owners are not prohibited from becoming a licensee due to violating provisions of C.R.S. § 44-10-307.

11.02.20 Fees and License Term.

- A. When the application is filed, the applicant shall pay to the Town the applicable application fee, as set forth by resolution, plus the local share of the state application fee, as established by state statute, unless the State has already forwarded such fee to the Local Licensing Authority. Said local share of state application fee will be refunded to Applicant when state submits the local share of state fee to the Town.
- B. Any renewal application filed late will be subject to a late fee and Staff has no authority to waive such late fee.
- C. If an application is approved, the applicant shall pay an annual operating fee, if applicable, in such amount as may be established from time to time by the Board of Trustees as adopted from time to time by Resolution.
- D. Each license issued pursuant to this Title 11 shall be valid for a period of one (1) year from the date of issuance and may be renewed as provided in this Section. An application for renewal shall be made to Staff not less than sixty (60) days prior to the date of expiration and concurrent with the application for renewal filed with the state licensing authority, as required.

11.02.30 Applicant Investigation.

- A. After all applications are accepted as complete by the Town Clerk, the Town Clerk shall transmit copies of the application to the Police Department, the Town Administrator, the Planning and Building Department and the Town Attorney and no further amendments shall be permitted.
- B. In investigating the fitness of the applicant, the Town may obtain criminal history record information furnished by a criminal justice agency subject to any restrictions imposed by such agency. In the event the Town takes into consideration information concerning the

applicant's criminal history record, the Town shall also consider any information provided by the applicant regarding such criminal history record, including but not limited to evidence of rehabilitation, character references and educational achievements, especially those items pertaining to the time between the applicant's last criminal conviction and the consideration of the application for a license.

- C. The license will be administratively renewed by Staff unless the renewal is denied by the state licensing authority or unless it appears to Staff that good cause exists to deny the renewal application, in which case Staff shall refer the application to the Local Licensing Authority for review at a public hearing.
- D. Good cause for referral to the Local Licensing Authority includes, the licensee has any unresolved or unmitigated complaints filed against it, or the licensee has a history of three or more violations or allegations against the licensee that would constitute good cause for denial of a license. The procedures provided in Section 11.01.030 above shall apply to the Local Licensing Authority's review and determination whether to renew a license. A review by the Local Licensing Authority requires an additional fee equal to one-half the application fee for that term paid prior to the Local Licensing Authority's review.
- E. The ventilation and odor mitigation plan will be reviewed and approval by Staff each renewal period. Staff may refer such plan submitted with a renewal application for review by the Local Licensing Authority, who will conduct such review, with or without a public hearing.
- F. The lack of an approved ventilation and odor mitigation plan shall be grounds for denial of a new license or renewal of an existing license. Failure to install or maintain the ventilation system required by an approved ventilation and odor mitigation plan shall constitute a violation of this Title 11 and shall be grounds for suspension or revocation of a license.
- G. Staff will begin processing a new license application concurrently with the state licensing authority's application. Prior to issuing the local license the Town shall have the right to investigate the state application in any manner.

11.02.40 Public Hearing – Notice – Publication.

- A. Upon receipt of an application for a local license, except an application for renewal or for transfer of ownership, the Local Licensing Authority shall schedule a public hearing upon the application, to be held not more than sixty (60) days after the date of the application completeness, unless extended for good cause. The Applicant shall post and publish public notice thereof not less than ten (10) days prior to the hearing. The Applicant shall give public notice by the posting of a sign in a conspicuous place on the retail or medical marijuana store for which application has been made and by publication in a newspaper of general circulation in the County, and written notice by certified letter, return receipt requested, sent to any property owners within a 200' radius of the property line of the proposed premises.

The sign shall contain the names and addresses of the officers, directors, or manager of the facility to be licensed.

- D. If the building is not constructed at the time of the application, the applicant shall post a sign at the premises upon which the building is to be constructed in such a manner that the notice shall be conspicuous and plainly visible to the public.

11.02.050 License – Issuance or Denial.

- A. Not less than five (5) days prior to the date of the public hearing, Staff shall make known its findings, based on its investigation, in writing to the applicant and other parties of interest. The Local Licensing Authority has authority to refuse to issue a license for good cause, subject to judicial review.
- B. Before entering a decision approving or denying the application for a local license, the Local Licensing Authority may consider, except where this Title 11 specifically provides otherwise, the facts and evidence adduced as a result of Staff investigation, as well as any other facts pertinent to the application, including the number, type and availability of marijuana stores located in or near the premises under consideration and any other pertinent matters affecting the qualifications of the applicant.
- C. Within five (5) days after the public hearing or completion of the application investigation, the Local Licensing Authority shall issue its decision approving or denying an application for local licensure. The decision shall be in writing and shall state the reasons for the decision. The Local Licensing Authority shall send a copy of the decision by mail to the applicant at the address shown in the application.
- D. After an award of a license, the Local Licensing Authority shall not issue a local license until the premises are ready for occupancy with such furniture, fixtures and equipment in place as are necessary to comply with the applicable provisions of this Title, and then only after the Town Building Inspector has inspected the premises to determine that the applicant has complied with these regulations and any License conditions imposed by the Local Licensing Authority.
- E. If a license is awarded to an Applicant, the Licensee shall be open to the public within six months of the date of the award, unless the Local Licensing Authority extends the deadline

for good cause shown. Absent an extension, if the store is not open to the public by the deadline, the license is automatically revoked.

- F. After approval of an application for local licensure, the Applicant shall notify the state licensing authority of such approval by submitting the license containing the following:
1. The name of licensee, date of license issuance, and physical and mailing address of the licensed premises.
 2. Any conditions of approval imposed by the Local Licensing Authority.
 3. The license expiration date; and
 4. The signature of the Applicant and the Town Clerk.

11.02.60 Modification of Ownership Structure.

- A. In determining whether to allow a modification of ownership structure, the Local Licensing Authority shall consider the requirements of these regulations and the modification of ownership structure application filed by the Licensee.
- B. No change in ownership structure will be approved unless the Licensee has held its license for at least one year from the time the medical, retail, or co-located store opened to the public.
- C. The license will be administratively modified by Staff unless the modification is denied by the state licensing authority or unless it appears to Staff that good cause exists to deny the renewal application, in which case Staff shall refer the application to the Local Licensing Authority for review at a public hearing.

11.02.070 Modification of Premises.

- A. Major modification of the licensed premises is prohibited unless the Local License Authority approved the major modification.
- B. In determining whether to allow a Major Modification of premises, the Local Licensing Authority shall consider the requirements of these regulations and the modification of premises application filed by the Licensee.
- C. Upon receipt of a Major Modification application, the Town shall treat such modification the same as it does for an initial application and a public hearing in accordance with Section 11.02.040 is required prior to issuing the modification.
- D. A change in location shall be considered a modification of premises for purposes of processing the change in location application.

11.02.80 Ownership Transfer.

- A. In determining whether to allow a transfer of ownership, the Local Licensing Authority shall consider the requirements of these regulations and the transfer filed by the Licensee.

- C. The Local Licensing Authority may hold a hearing on the application for a transfer of ownership, provided that the Local Licensing Authority shall not hold a hearing pursuant to this Section until the Applicant has posted a notice of hearing the manner described in Section 11.02.030. A transfer fee shall accompany each application for a transfer of ownership, in such amount as is established from time to time by the Board of Trustees by resolution.

Chapter 11.04

ENFORCEMENT

Sections:

11.04.010 Suspension or Revocation.

11.04.020 Penalty.

11.04.010 Suspension or Revocation.

- A. The Local Licensing Authority may revoke or elect not to renew any license if it determines that the licensed premises were not open to the public for a period of three (3) months or more, where each day the Licensee is not open to the public is counted whether consecutive or not.
- B. In addition to any other sanctions prescribed by this Title, the Local Licensing Authority has the power, on its own motion or on complaint, after investigation and opportunity for a public hearing at which the licensee shall be afforded an opportunity to be heard, to suspend or revoke a license issued by the Local Licensing Authority for a violation by the licensee, or by any of the agents or employees of the licensee, of the provisions of this Title 11 or of any of the terms, conditions, or provisions of the license. The Local Licensing Authority has the power to administer oaths and issue subpoenas to require the presence of persons and the production of papers, books and records necessary to the determination of a hearing that the state or Local Licensing Authority is authorized to conduct.
- C. The state licensing authority or Local Licensing Authority shall provide notice of suspension, revocation, fine or other sanction, as well as the required notice of the hearing pursuant to Section 11.02.030, and by mailing the same in writing to the licensee at the address contained in the license. Except in the case of a summary suspension, a suspension

shall not be for a longer period than six (6) months. If a license is suspended or revoked, a part of the fees paid therefor shall not be returned to the licensee. Any license or permit may be summarily suspended by the Local Licensing Authority without notice pending any prosecution, investigation, or public hearing pursuant to the terms of C.R.S. § 24-4-104(4).

- D. Whenever a decision of the Local Licensing Authority suspending a license for fourteen (14) days or less becomes final, the licensee may, before the operative date of the suspension, petition for permission to pay a fine in lieu of having the license suspended for all or part of the suspension period. Upon the receipt of the petition, the Local Licensing Authority may, in its sole discretion, stay the proposed suspension and cause any investigation to be made which it deems desirable and may, in its sole discretion, grant the petition if the Local Licensing Authority is satisfied that:
1. The public welfare and morals would not be impaired by permitting the licensee to operate during the period set for suspension and that the payment of the fine will achieve the desired disciplinary and deterrence purposes.
 2. The books and records of the licensee are kept in such a manner that the loss of sales that the licensee may suffer if the suspension goes into effect can be determined with reasonable accuracy; and
 3. The licensee has not had his or her license suspended or revoked, nor had any suspension stayed by payment of a fine, during the two (2) years immediately preceding the date of the motion or complaint that resulted in a final decision to suspend the license or permit.
- E. The fine accepted shall be not less than two thousand dollars (\$2,000.00) nor more than five thousand dollars (\$5,000.00).
- F. Payment of a fine shall be in the form of cash, a certified check or a cashier's check made payable to the Local Licensing Authority.
- G. Upon payment of the fine pursuant to subsection (C) above, the Local Licensing Authority shall enter its further order permanently staying the imposition of the suspension.

11.04.020 Penalty.

Failure to comply with the provisions of this Title 11 shall constitute a violation, and in addition to being grounds for denial, suspension or revocation of a license, such violation may be punished by a civil penalty not less than two thousand dollars (\$2,000.00) nor more than five thousand dollars (\$5,000.00) with each day being a separate violation. Proceedings for the determination of such liability and imposition of such civil penalty shall be conducted in the Municipal Court in the same manner as proceedings relating to noncriminal Town municipal code infractions and upon the issuance of a complaint and summons. In no case shall any defendant found guilty of any violation of this Title 11 be punished by imprisonment for such violation.

(Ordinance 2021-02)
