

Coffee with Gene and Greg

Do you ever have questions or concerns about the Town of Cedaredge? We realize it can be intimidating to stand before the Town Board of Trustees at a regular meeting and ask questions or voice your concerns.

Town Administrator Greg Brinck and Mayor Gene Welch will host a monthly informal coffee chat on the 4th Wednesday of each month from 1:00-2:00pm. This month, May 22nd, will be hosted by Stacy's on Main! If you have specific questions, please email Greg Brinck so we have time to research and bring specific answers!

Trap Neuter Release

The Town of Cedaredge in partnership with Surface Creek Veterinary Center and the Surface Creek Animal Shelter is happy to continue to offer a trap, neuter, release (TNR) program to help control the feral cat population. If you have feral cats living around your home, give the Cedaredge Police Department a call to get more info on the TNR program. 856-4301

April 2019

Sewer Usage

Your sewer usage has been recalculated. The sewer usage charge on each bill is based on the average winter water usage. The sewer usage on this (April) bill is based on the average water your account used from November 2018-March 2019. Each April the sewer usage is recalculated to reflect the average water usage from the previous winter. In the event an average winter water use cannot be determined, sewer usage will be billed at 4,000 gallons each month. The new sewer usage will not change and will be billed monthly until sewer usage is recalculated in April 2020. We are happy to answer any questions you have about your bill. 856-3123

Open Burn Season

Yard work is in full swing with many practicing the traditional yard debris pile and burn routine. Residents of Cedaredge need to know that if you want to burn your collected yard debris it is allowed but you must follow a few simple requirements. Open burning within the Town has restrictions on time and types of material allowed to be burned. Residents are required to obtain a burn permit free of charge from Town Hall. Open burning is only allowed annually between Oct. 1st and May 31st.

Fire pits and BBQ pits are also regulated within town limits. All of the town ordinances and regulations can be found on the Town website or you can call the Police Department 856-4301 or Town Hall 856-3123 with questions.

Shop Local

Mother's Day is just a few days away! You definitely *could* send Mom something ordered from an impersonal online store, something that has been gift wrapped by a stranger with an impersonal typewritten card... or you could show Mom a little local love this Mother's Day!

Cedaredge businesses are rolling out the welcome mat to help you celebrate the best person ever with the best gifts ever!

Want to spoil her? How about a gift certificate for a massage, haircut, pedicure or facial? Is mom a foodie? We have amazing wine, cider, chocolates and farm-fresh foods to tempt her taste buds! More than loving good food, moms love spending time with their families, so why not treat her to brunch or lunch out – with you! It's a great weekend to try a new restaurant!

Moms love flowers! Send her a gorgeous bouquet or give the gift of yearlong flowers with a CSA flower share! Is your Mom a social butterfly? How about concert or event tickets to an upcoming show? What about a gift certificate for an art, cooking or music class? Is Mom more traditional? She would love a piece of handcrafted jewelry, art, pottery or other gift item that can only be found right here at home!

Cedaredge flourishes when we all work together. Purchasing your gift items or meals from a local business promotes the civic and economic development of our beautiful community – and makes Mom happy to boot!

Wishing all the moms, and the women who serve in a mom role, a very Happy Mother's Day!

xpress BILL PAY

The Town of Cedaredge is happy to announce an updated online and automatic payment system. We have contracted with Xpress Bill Pay which will allow our customers to set up online accounts where you can view current and past bills, set up automatic payments or make one time payments via a debit/credit card or checking/savings account,

all **without additional fees!** Go to cedaredgecolorado.com and click on the "Utility Billing" button to get signed up! Once an account has been created you can sign up for automatic payments and paperless billing or make a one time payment! 856-3123 x 110
